

CERTIFICATE OF CONFORMITY

No. 9 073 – 8 / Z

In accordance with § 23, Section 1 of the Baden-Württemberg State Building Regulations dated March 5, 2010, last amended by article 5 of the law of February 10, 2026, and according to the results of the factory production control, it is hereby confirmed that the following construction product

**Adjustable telescopic steel prop
with calculated load-bearing capacity,
type " Tech Euro" class BD25, CD30, CD35, CD40, CD45 and CD55**

of the manufacturer

**Technocraft Industries (India) Ltd
Plot. No. A-4/1, MIDC Area
Murbad-421 401 (Maharashtra), India**

complies with the regulations of the applicable technical rules

DIN EN 1065:1998-12 and Annex C 2.16.1 of VwV TB BW

as published in section C 2.16.1 of the Baden-Württemberg administrative regulations Technical Building Rules (VwV TB BW) dated December 10, 2025.

The third-party inspection was carried out by the accredited inspection body

SIGMA KARLSRUHE GmbH, Daimlerstr. 21, 76316 Malsch.

Provided that no significant modifications are made to the product or its manufacturing conditions, this certificate remains valid until April 30, 2028.

Malsch, May 01, 2026

Dipl.-Ing. Rolf Brückel
Head of Certification Body
