CERTIFICATE OF RECOGNITION

AAIT / Technocraft

This is to certify that **AAIT / Technocraft** has been recognized by the Editorial Board of **Construction Business Review** as

EDITORIAL ATTESTATION:

This recognition is determined through a bona fide editorial process based on the Construction Partner Value Assessment Model and its defined methodology. It draws on independent editorial research, subscriber nominations and industry input, and highlights excellence in project delivery impact, construction-specific alignment, safety and compliance readiness and industry credibility.

A handwritten signature in black ink, appearing to read 'Robert Mathews'.
